2016 AASM Standards for Accreditation Attestation

This attestation is a personal guarantee that all information is accurate and true. It also notifies the responsible individual that failure to adhere to the undertaken responsibilities will have repercussions. If the AASM determines that an accredited sleep facility is not compliant with the 2016 AASM Standards for Accreditation, facility accreditation may be revoked.

As the facility director of an AASM-accredited sleep facility, I hereby attest the below sleep facility is currently in compliance with the 2016 AASM Standards for Accreditation.

Furthermore, I understand and agree that if the AASM, in its sole judgment, determines the sleep facility is found to not be in compliance with these standards, facility accreditation may be suspended or revoked in its entirety. I also agree to submit proper documentation as requested by the American Academy of Sleep Medicine. I acknowledge that the AASM reserves the right to perform a site visit at any time when it deems warranted.

By submitting this attestation, I understand that the sleep facility will continue its accreditation status effective through the facility's accreditation current expiration date.
