

# Expanding Your Sleep Practice Through Telemedicine

The future of healthcare has arrived. Ensure you are prepared.

Learn how the incorporation of telemedicine can add tremendous value to your sleep practice, and receive the necessary tools to kick-start the implementation process during this interactive, hands-on course. Expert faculty will guide you through the process of integration, including the navigation of your legal and regulatory concerns and the explanation of coverage and reimbursement options. Earn CME credit by attending any one of the three courses.

**September 28, 2017 | October 14, 2017 | November 4, 2017**
