# kickstart your reporting with MIPS*wizard*®

## —the #1 Registry for Quality Reporting to CMS*

MIPS*wizard* is an easy-to-use online tool that helps MIPS eligible clinicians quickly and easily complete their MIPS reporting for the 2017 transition year. Similar to online tax preparation software, MIPS*wizard* helps guide clinicians through a few easy steps to rapidly collect, validate and submit their results to CMS.
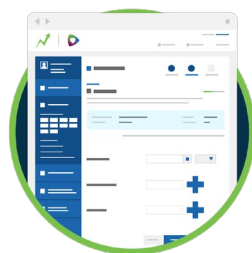

01
Select Available Measures

Use the MIPS*wizard* Measures Selection Guide to locate the measures which fit your practice.
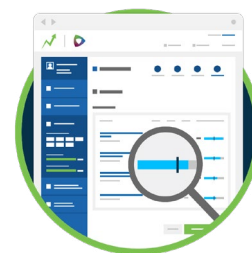

02
Register

Once you've reviewed the potential measures, you will be prompted to sign in or create your account.

03
Add Your Data

MIPS*wizard* enables data entry through easy-to-follow chart review forms and data upload tools. Data templates and definition files are available for those uploading their data.
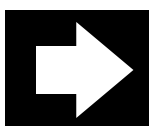

04
Review & Submit

MIPS*wizard* validates your data as you submit it, allowing you to see your results in real-time. Once complete, MIPS*wizard* calculates your annual performance rates before you finalize for submission to CMS.

Once your report is complete, we submit the data to CMS on your behalf. For more information, visit mipswizard.org.
