Why Connect with Us?

The Industry Engagement Program enables you to engage in a more significant way with influencers in the field of sleep medicine, as well as leadership at the AASM. Participation is available to organizations that support the mission and vision of the AASM. We look forward to working together towards industry standardization, discuss advocacy initiatives to advance sleep medicine and promote provider and patient education, and improved relations among businesses from all areas related to sleep medicine.

Program participants will:

• Establish and build strategic business relationships;
• Foster open dialogue among key industry representatives who have ties to the medical specialty of sleep medicine;
• Have the opportunity to participate in Industry Round Table discussions/meetings where IEP sponsors can openly discuss with AASM representatives, leaders and other IEP sponsors key issues facing sleep medicine, technical/business trends, and opportunities to advance the field;
• Gain greater understanding of mutual areas of interest; and
• Promote high quality, patient-centered care for those with sleep disorders.
