***Payments listed in the above table reflect facility global billing. G0406-G0408 and G0425-G0427 are inpatient telehealth follow-up and consultation services. Medicare only pays for these services in a facility setting; these codes are not payable in a non-facility setting. Similarly, the G0508 and G0509 descriptors indicate they are for critical care telehealth consultations and therefore would also only be paid by Medicare in a facility setting and not be payable in a non-facility setting.*
